

About

Place of Interest is an independent type foundry based in Brooklyn, NY. It was founded in 2024 by Felix Summ after years of drawing self-initiated typefaces. Get in touch for custom inquiries or to submit a font to the catalog.

hello@poi.tf

The name Place of Interest comes from the designated Unicode name for ⌘. The oldest recorded ⌘ is 1,600 years old and was discovered in Sweden.

⌘ in use on the design of the Finnish penni
